Call your Division Reporter when you have anything for SPAN! Its your paper! Printed by your Athletic Association! For your enjoyment! Support your Athletic Association!

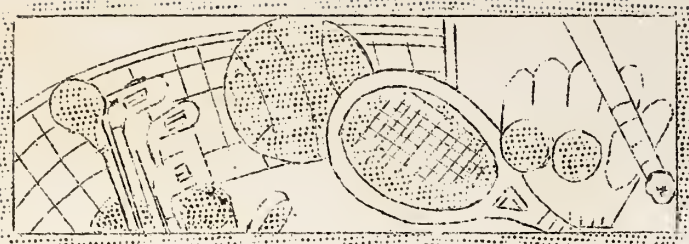

Note: Our artist this week was Bernie Gevers 'pinch-hitting' for Binnie who sprained an ankle in a ball game over at the Farms. Thanks Bernie for a swell job. And Binnie, get well fast and hurry back will you?

It was plenty of hot dogs, fried chicken, cold beer and soda pop at Triton Beach last Saturday when the Administration's Office, Personnel and A & L all got together for their annual picnic. Everybody reports a "swellagant time" with plenty of Bay sunshine and good swimming. A & L won the ball game from Asher and his cohorts - 3-1. Sturdie put the game "on ice" with his long home-run. Ginny Goergens was a casualty - sprained ankle. Some girl on Asher's team hurt her finger ask Julia Genau! Kern Merson is now A & L's favorite "pin-up boy" - ask him to show you the picture - a lulu!

VETERANS INVITE MEMBERSHIP

A membership drive is being conducted in the Rural Electrification Division of the Solicitor's Office. Henry C. Bauer, Room 1304, is in charge. All veterans of either war are urged to join at this time (on account of we're going to have a Stag Party soon fella's). When we were in St. Louis, the lawyers were active members in the Association, but after our return to Washington, they have been conspicuous by their absence from our meetings. We want them back with us and all veterans in the Solicitor's Office, RE Division, are invited to renew their membership. The membership is One Dollar for the fiscal year ending June 30, 1947. Remember! See Henry Bauer today!

ATTENTION!!! ALL VETERANS!!!
Remember the August Stag Party coming up soon! Date and place to be announced later! Watch this column!

ABOUT PEOPLE NOT AT WORK

The Charles Kelchners are bound for Connecticut for a second honeymoon - the second since January! Cecil Gowen, who hails from Tennessee, left the Maritime Commission to join the forces of our Audit Unit. . John Samokar is going back to Erie, Pa. on his 'annual'. . Linde Fernstrom is inclined to feel that Washington is much warmer than Warroad, Minn. but we think she does a lot for the morale in the mail unit. . Hazel Jones brings light to Pittsburg, when she gives the home town boys a break on those week-ends. Tommy Kline is a big boy now, and knows that playing with matches is one way to get burned!
